THIRD MEETING.

NO. 1 COMMITTEE meets in the Committee Room, City Hall, on Wednesday, February 11th, 1920, at 4 p.m.
PRESENT: Aldermen Cunningham (Chairman) Brighton, J.C.Wilson and His Worship Mayor Little.

96. MINUTES.

The minutes of the second meeting are confirmed and signed by the Chairman.

97 W.C.A.BUILDING GRANT.

Secretary of the Women's Christian Association -

At the regular monthly meeting of the Woman's Christian Association held Feb. 4th, it was decided to ask the City Council for a grant of ($75,000) Seventy-five Thousand Dollars towards the erection of a new Home for Incurables. They feel that this is not too much to expect, as their Association are giving the land and about $50,000 towards the project. The estimated cost of the building being about $175,000, the Association trust that your Honourable body will give this your most favorable attention, in order that a start may be made on a new building as soonas possible, as it is an imperative necessity.

This Home was started by the Association in 1875, in a small building on the Hamilton Road, with three patients, and $35,00 in the Treasury, and has grown step by step to its present proportion occupying at the present time three residential buildings, purchased from time to time, as the work increased. We find now, that an appeal must be made to your honourable body, as the present buildings are entirely inadequate for the patients requiring admission, and the comfrot of those already there.

The Association has a reserve fund, made up of legacies, of $50,000, with property valued at $20,000.

Land for proposed new Home valued at $13,000. No. of patients at present time in hame, fifty-six. Cost of maintenance per patient eighty-five cents. Clothing, medical care and attention, not included in above. As to finances, our revenue for 1919 was $18,141.00 and our disbursements $17,718.00. Our revenue was made up as follows:- Provincial grant $3151.00. Board paid by City for inmates $1466.00. Board from paying patients $12465.00. Interest and donations $1058.00. The present prosperity of the Home is due to the careful management of the members of the Association, who, through the years, have given their services gratuitously, there being no paid officers in the Association.

Mrs. Ingram speaks in favor of the application.

Mr. J.M.Moore points out that the W.C.A. had received no grants; had made no special collections; had given but zealous work and generous gifts to the maintenance and care of these homes; They asked that they be made a grant of 50% of the cost of the proposed new building, or that the City would meet annually the interest charges on the proposed building and guarantee their loan or in some way assist them to meet their heavy liabilities.

Major Ingram supported the application pointing out the important work done by the Association.

Colonel Cartshore pointed out the fact that there are some twenty to thirty people in Victoria Hospital, who ought to be in some such home, and suggested that at least some should be placed in the Strathroy Institute.

98 CHILDREN'S DAY NURSERY ASSOCIETION.

Mrs. Partridge and others address the Committee stating that the Red Cross Society had maintained a day nursery for the past year. The need for the work was most pressing. The Association had been granted the use of the room occupied by the I.O.D.E. on Kind Street, subject to the consent of the Council. Two rooms would be retained by the Red Cross. They asked that the Council consent to the occupancy of this house by the Children's Day Nursery Association for their work.

Alderman Wilson moves, and it is adopted that the petition be granted.

99 DAUGHTERS OF ENGLAND CONVENTION.

Secretary of the Daughers of England -

On behalf of the Society of the Daughers of England of this City, we wish to ask your honourable body for a grant of $100.00 to help defray expenses of entertaining the delegates who are to meet in convention at Grand Lodge Session to be held in the City for three days beginning June 15th 1920.

Mr. Hollins on behalf of the deputation present asked that they be granted the sum of $100.00. Windsor had granted the Convention $200.00 last year. There would be about 100 present and for three or

four days.

His Worship the Mayor moves, and it is adopted, that the prayer of the petition be granted.

100 TRAVELLERS' AID GRANT.

Mrs. King et al addressed the Committee in favor of the continuance of the grant to the Travellers' Aid of the Y.W.C.A. The work was most important.

His Worship the Mayor moves, and it is adopted, that the matter be referred to estimates in favor of the recommendation.

101 PLAYGROUNDS.

Rev. Mr. Stewart et all addressedtthe Committee on behalf of the Chamber of Commerce, and the Social Service Association in favor of placing the playgrounds under the Park's Board. They offered their services free and the information that they had gathered on the matter.

His Worship the Mayor objected to transferring the funds from the Council.

Upon motion the consideration of the matter is laid over, and the Clerk instructed to notify parties interested.

W.E.Harries & A.V.Hall - In accordance with out conversation on general matters, including the scope of our private practice, we thought it would do no harm to send you a list of our activities as Landscape Architects. This list by its classification of undertakings shows the scope of our work, and the names which appear under these headings can be used as references by anyone who is interested.

Our general method of charging for our services on work that is to be immediately executed, is a percentage on the expenditure planned for, as is the practice of the architect, or engineer. Such percentage varies in proportion to the amount involved. Where a project requires the consideration of problems which will necessarily occur in the more or less remote future, ssuch as city planning, park systems, etc. we usually estimate the amount of time involved in such consideration and make a lump charge covering this. Where our assistance to our client can be handled in a consulting capacity only, our charge is on a per diem basis.

This general outline will I think, assist you.

Laid over.

102 WESTERN UNIVERSITY.

Messrs. A.T.Little and J.H.Chapman address the Committee on behalf of the Western University Board. The University was expanding at a wonderful rate. The new Medical School was in course of construction and big bhanges were being made in the Arts. The Board had expended $150,000 expecting assistance. The increased cost of maintenance made their work more difficult. They had a shortage of practically - $91,091.00. The grounds should be improved. In the past they had received $15,000.00 and one year $20,000 from the City. This had been an immense boon to them. The Government grant seemed to come in direct proportion to the grant of the City. They were assured of several bequests. The next five or six years of the University were momentous and the future of the University depended largely upon the success. They asked that they be given a grant of $20,000 and a further grant of $35,000 to meet their present indebtedness. The University had more than 300 students and was progressing in a wonderfull way.

His Worship the Mayor moves, and it is adopted, that the prayer of the petition of the Western University be granted.

103 TENDERS.

Tenders were received for Firemen's Insurance and Firemen's CLothing, viz:- (1) Yorkshire Insurance Co. (2) C.H.Petch & Edmonton. (3) Provident Insurance Co. (4) Dominion Rubber Co. (5) Beddome & Brown (6) D.D.Leithbridge. (7) Dambra & Walsh (8) Selack Orth.

Upon motion the tenders are referred to the Chief and Treasurer for tabulation.

104 TELEPHONE RATES (see par 46)

S.H.Kent City Clerk Hamilton, Ont. -

I received your letter re Dominion Railway Board hearing of increase of telegraph tariffs, and intended taking the matter up with the City Solicitor on Monday morning, but unfortunately I was unable to be at the office until this morning. In the meantime the deputation from our City accompanied by the City Solicitor attended the meeting and I am advised that the aplication is really made on behalf of the Dominion Government, as the Canadian Northern Railway own 3,315 of the 5000 shares of the Great North Western Telegraph Company, and that the Dominion Railway Board have expressed their intention of thoroughly inquiring into the matter and if they find that the fares are inadequate they will no doubt be increased so as to place them on a paying basis.

Filed.

105. CITY HALL ARCHITECT.

F.S.Baker - If it proposed to hold andopen competition for the purpose of selecting an Architect for proposed new City Hall please send me particulars.

Permit me to say that I would be glad to act as professional assessor if it should suit the wishes of the Committee.

Filed.

106 C.P.R.ASSESSMENT.

C.P.R. stating that the Railroad was valued at $417,880.00 Telegraph Company $12,969.00 Acres 60.23; Business receipts $25,938.17 Assessment thereon $12,969.00.

Filed.

107 STREET RAILWAY SERVICES (see par 40,61).

The matter is informally discussed by the Committee, and the Special Committee reported verbally.

Laid over.

108 HYDRANT CHARGES.

O.Ellwood, Secretary Public Utilities Commission. -

I beg to advise you that at the regular meeting of the Public Utilities Commission a resolution was adopted that No. 1 Committee of the City Council be requested to meet the Public Utilities Commission with a view of arranging on amicable agreement regarding Hydrant Rental or annual charges for water supply for fire protection.

Kindly advise us when such meeting can be arranged.

Laid over.

109 POLICE COMMISSION.

S.R.Armstrong, City Clerk, Peterborough, Ont. -

The following is a copy of a resolution passed by the Council of the City of Peterborough at a meeting held on February 2nd, 1920:-

"That the motion which was passed on December 1st, 1919, asking for a change in The Municipal Act to provide that Boards of Commissioners of Police be composed of the Mayor and two members to be elected by the qualified electors, be rescinded, and that a copy of this resolution be sent to each of the persons and municipalities to whom a copy of the resolution of December 1st, 1919, was sent, and also to the Hon, the Attorney-General of Ontario."

110 BUREAU OF RESEARCH RE TEACHER'S SALARIES.

Toronto Bureau of Municipal Research submitting information respecting Teacher's salaries in the City of Toronto.

Filed.

111 CANADIAN RECONSTRUCTION ASSOCIATION.

J.S.Willison - President -

The heavy discount on Canadian exchange is a symptom of an unhealthy national condition. Apparently the only permanently effective remedies are an increase in production in the Dominion, development of export trade, curtailment of unnecessary imports, and substitution, to the largest possible extent, of Canadian products for imported commodities. In the national interest Canada must attain a larger measure of economic independence, It can do so by developing the home market. A pronounced demand for Made in Canada good s would constitute a guarantee of sales which would encourage factory expansion. By such expansion, new wealth would be created through increased production, and steady and profitable employment would be provided for new industrial populations. Any substantial increase in industrial workers would create bigger and better markets for all kinds of farm produce. New factories, expansion of old factories, greater production, more workers, and better agricultural markets mean nationsl progress.

During the first seven months of the current fiscal year, 79.2 per cent. of all imports into Canada for consumption came from the United States. On such imports we now have to pay a premium of from 8 to 10 per cent. on account of exchange, an additional cost to the Canadian people of more than $60,000,000 a year. Further, we are giving employment to foreign workers instead of to Canadian labor and buying from American companies which neither pay taxes in this country nor provide any appreciable market for other Canadian productions.

There is another serious side of the problem which cannot be overlooked. The world exchange situation threatens still further to curtail orders from overseas, especially for manufactures, and if the slack is to be taken up, it must be by increased support from the home market.

The situation now confronting the Dominion demands national co-operation. The Canadian Reconstruction Association believes that as there is an obligation upon the Canadian manufacturers to meet home market demands and to provide products that compare favorably with imported goods, so individual purchasers, retailers, wholesalers, and public and business bodies and organizations in the Dominion should promote national prosperity by buying Canadian goods.

This Association is asking consideration by Municipal Councils throughout Canada of the following resolution:-

"Resolved that this Council endorses the principle that public supplies be purchased in Canada whenever they can be secured from Canadian factories at reasonable prices. And, further, that all municipal officers, in making purchases shall be, and hereby are, requested to consider the possibility of securing Canadian products."

Please be good enough to advise this Association of any action which you may take with reference to the above resolution.

Alderman Wilson moves, and it is adopted, that the resolution submitted be approved.

112 CIVIL SERVICE REPORT.

S.Foran Secretary Civil Service Commission -

I am directed by the Commission to express to you their appreciation for your kindness in sending us information as to the rates of pay for clerical positions in your organization. The information which you have given in answer to the Commission's request of November 19th will be of great assistance.

The Clerk states that the filling in of the many forms of reports required is taking up considerable time at the start and that this is one of the very small number of letters of appreciation.

Filed.

113 W.C.A. PER DIEM CHARGES.

Secretary of the W.C.A. - stating. -

At a meeting of the Women's Christian Association held Feb. 4th, they asked the Secretary to petition the City Council for an increase of maintenance funds for City patients in the Aged People's Home, and Home for Incurables.

As the Homes are only receiving 60¢ per day per patient, they find it entirely inadequate, at the present time, owing to the increase of living commodities, clothing, etc. They feel that they should be put on the same basis as the City Hospital, namely $1.25 per day.

Hoping that your Honourable body will gove this your earnest consideration, on behalf of the Women's Christian Association. -

Referred to estimates

114 STREET LIGHTING REDUCTION.

E.V.Buchanan - In reply to your letter of Feb. 5th, I beg to advise that the rate charged the Council for street lighting is only approximate to cost, and as the Electric Department supplies other municipal departments with power at cost, an analysis is made at the end of each year and the actual cost of operating the system is figured out, and a refund or surcharge is made accordingly.

If you refer to your records you will find that for three or four years past you have been rebated considerable amounts for street lighting. Last year a very small extra charge was made.

With reference to the interruptions at the present time to the street lighting system, these interruptions will probably show a reduction in cost of the street lighting at the end of the year, and a rebate will be made accordingly. The same argument applies to street lights out of commission at other times and for other reasons.

Filed.

115 I.O.O.F. CONVENTION.

W.A.McRoberts - I am directed by the Grand Lodge committee to write you re the grant of $200.00 by the Council to this committee.

Kindly let us know what steps we will have to take on this matter in order to secure this grant which we badly need. Trusting that you will assist us all you can in this matter.

His Worship the Mayor moves, and it is adopted, that provision be made therefor in the estimates.

116 HAMILTON ROAD LIGHT.

H.A.Brazier -

I beg to recommend that one additional street light be placed on Trafalgar St. at Hamilton Road at the V.

Upon motion the recommendation is adopted.

117 CLOSING OF SALISBURY STREET.

S.Baker certifyint that an application had been made by a certain firm for the Closing of Salisbury Street. The Industry would employ in the neighborhood of three hundred hands; no street would be blocked by the closing; no property would be injured; the Company owns all the land.

Upon motion the Committee approved of the closing of this Street.

118 MAYOR'S OFFICE.

The City Clerk called attention to the necessity for the appointment of a stenographer of other help in the Mayor's office. At present the Mayor had to get his stenography done at his private office and

and there was no means for attending to his office, filing of communications or otherwise looking after his duties, other than through the Clerk's office; the expenses of the Mayor's office very much exceeded the amount allowed by the Council. For the past four of five years particulary attention had been called to the necessity of help.

Upon motion His Worship the Mayor is authorized to secure the help he required.

119 PRINTING AND BINDING TENDERS.

S.Baker - I beg to call your attention to the fact that tenders should be called for printing and book-binding for the year 1920, and requres authorization to call for same.

Upon motion the Clerk is authorized to call for tenders.

120 LEGISLATURE.

The Clerk submitted copies of proposed petitions to the Legislautre respecting, (a) Area adjustment of the disposal of automobile Licensesfees. (b) An amend: to the Municipal Act giving Council wider power on Home rule. (c) To amend the Railway employees election, by granting Commercial Travellers similar privileges. (d) To amend the Municipal Act removing prohibition of the members of Councils acting on Commissions. (e) Permission to hold elections on the first Monday in December.

121 John M.Parsons Secy - Treas. R.E.O.A.

At the regular weekly meeting of the R.E.O.A. held on the evening of Feb. 6 I was directed to write you as follows:-

TO THE MAYOR AND ALDERMEN.

Gentlemen:- When polling day was changed from the first Monday in January to New Year's day; this association protested against it. We stated that a holiday was not suitable or convenient for boting, We further urged the Aldermen to leave alone the day that the Legislature of Ontario had set for polling in this Province, but our efforts were useless, just because Toronto or some other town had adopted the fad London must do so. Hence the results:-

And we hereby request the Council, that if any change is made to go back to the first Monday in January for polling with selection of candidates one week previous, wWe also beg to suggest, that you do not tinker with the Municipal Statutes governing civic administration, and by so doing you will not only add to your own comfort and satisfaction but will render the ratepayers a service as well.

Upon motion the petitions are approved, and the Clerk authorized to arrange for a deputation to thebProvincial Premier on the question, through the local member Dr. H.A.Stevenson M.P.P.

121 CITY OF LONDON BILL.

The Clerk calls attention to the notice re Private Bills - Thursday, the eighth day of April next, will be the last day for receiving Reports of Committees on Private Bills.

Laid over.

122 ELECTION REPORT.

S.Baker -

Chairman & Members of No. 1 Committee.-

Gentlemen:- I beg to submit a report re the recent Municipal Elections:-

The work of the D.R.O's was the best we have ever had. The elections were absolutely straight. The D.R.O who made a mistake of adding two totals together is one of the most competent D.R.O's; used to Clerical work, and made a common error only.

Applicants must satisfy me asto educational ability and character. No pull is permitted. Appointments are made in order of applications.

No D.R.O. is appointed who has not satisfactorily discharged the duties of Poll Clerk for three or four years.

D.R.O's hold office for ten years if work is satisfactory. Every D.R.O's box is carefully checked and incompetents or those who are indifferent dismissed. Every man knows this. There is no incentive for bad work and every precaution taken to secure good.

I shall be glad to explain the system of appointment to any person interested.

Filed.

123 FIRE CHIEF'S REPORT.

Fire Chief Aitken reporting that:-

1. Mr. M.J.Kent sent a cheque for $25.00 for the Firemen's Benefit Fund for the good work done by the Department in subduing the fire at his residence January 21. Gave the cheque to City Treasurer Bell.

2. I beg to call your attention that there are at present twelve men of the Department off sick and that it will be necessary to have substitutes to fill their places.

3. During the year 1918 the Council granted the fifty men the priv-

ilege of having their Holidays from the first of Mayoto the thirty-first of October. Now that the Two Platoon System with sixty men has been adopted they still ask for the same privilege which I cannot grant without your Committee sees fit to appoint five substitutes to act during that period.

Clause 1 being read, is, upon motion, adopted, ant the Clerk instructed to suitably acknowledge receipt.

Clause 2 and 3 being read, are, upon motion, laid over for consideration with estimates.

124 TAX COLLECTION.

The Clerk calls attention to the splendid record of the City of London in the matter of Tax collection. The roll of 1918 has been returned to the Treasurer, and the only roll in the hands of the Tax Collector is the 1919 tax roll. He had good reasons to believe that London is the only City in Ontario with a record of this kind. In 1915 the uncollected taxes amounted to $4,521.02 - in 1916 $ 2,752.70. In 1917 - $1,809.60, in 1918 - $ 1,529.50. The 1915 tax roll was returned to the Treasurer early in 1917. - In each case within two years.

127 ASSESSMENT REPORT.

S.Grant - I beg leave to report that the work of this Department for the month of January consisted of special outdoor revision of valuation of properties, receiving, checking and analyzing over the greater part of the three thousand Income Returns, that were sent out to individuals, Employers and every Financial Institution with its Head Office in Ontario who have shareholders resident in the City, and notifying delinquents. Registering one hundred and eighty three transfers of property. This class of work has more than doubled in the past year. The blotters have been prepared for the new assesxment and the applicants for positions as Assessors Clerks were examined as to their qualifications. The usual letters of enquiry from local and outside points were dealt with and the general routine work of the Department was carried out.

Laid over for consideration with estimates

131 ALLAN SIGN.

H.A.Brazier stating that Messrs. The Allen Theatre have signed the necessary bond and obtained the necessary certificate for wiring from the Fire Chief in connection with his application to erect an electric sign at 204 Dundas Street.

I beg to recommend that his application be granted subject to erection and maintenance in conformity with By-law No. 4251 relaring to signs.

Upon motion the recommendation of the Engineer is adopted.

132 FIREMEN'S WAGES, CLOTHING AND INSURANCE.

Firemen's Union -

We the firemen of the City of London, and Local No. 142, have decided to ask for an increase in wages, as follows:-

Clause A. Thirty-one percent of our present scale of wages.

Clause B. Six percent to be deducted for Firemens' Pension and Benefit Fund.

Clause C. The said increase to date from January 1st, 1920.

And we would ask your Honourable body to revise by-law No. 4057, governing the Firemens' Pension and Benefit Fund, giving them representation on the saib By-law, also providing for an annuity for old age.

And further more we desire your honourable body to grant us better clothing conditions as follows:-

(1) Extra pair of pants and vest for summer suits.
(2) Extra pair of pants of winter suits.

We would like to call your attention to the fact that up to the last two years we used to receive extra pants.

Chief Aitken submitted copies of letter filled in from Hamilton, Brantford and Toronto, viz:-

Laid over to estimates.

133 LICENSE REMISSION.

E.H.Lance.- re # 81864 Pte. Harvey R. Sutton.

This is to certify that the above noted man is a retunred soldier who served in France with the 10th Battalion. He is a resident of this city living at 725 King Street.

H.R.Sutton making application for a cigarette license for the sale of cigarettes in his barber shop 99½ Stanley Street, London,

Mr. Sutton states that he enlisted with the 16th Light Horse at Wolseley Sask, on 14 - 11 - 14 Mobilized into the 32nd Battalion at Winnipgg Man. 1 - 12 - 14. Drafted into the 10th Battalion Alberta 26 - 4 - 15. He received his first discharge in London on 4 - 2 - 18. re-enlisted 17 - 12 - 18 received his second discharge on 2 - 9 - 19 served in France.

Mr. Sutton states that he was born at Dutton, Ont. went west a short time prior to the war, he has lived in London between his 1st discharge and 2nd. at 576 York Street and 725 King Street. He has two children.

Upon motion the application is granted.

134 INDIGENTS.

The Chairman reports recommending:- that

(a) Thomas Bloye be not accepted as a City Indigent at St. Joseph's Hospital London, as Mr. Bloye is able to pay.
(b) That Winnifred Parker be accepted as a City Indigent at St. Joseph's Hospital.

Upon motion the report of the Chairman is adopted.

135 FIREMEN'S INSURANCE TENDERS.

Treasurer Bell reported the premiums per man for Insurance as follows:- (a) Yorkshire Insurance Company - $ 10.98 (b) Provident Ins. Co. $ 26.00 (c) Dominion Guarantee Co. $ 16.00 (d) Employees Liability Co. $ 12.00

Treasurer Bell reports that the Employee's Liability had dealt promptly and fairly with the City, and he personally thought that the business should be renewed with the Libbility Insurance Company.

Upon motion the tender of Beddome & Brown at a rate of $12.00 per man upon the terms and conditions expressed in the tenders recommended, although not the lowest on the grounds that it is good business.

136 FIREMEN'S CLOTHING.

Fire Chief Aitken asking for further time to report, and the matter is referred with power to the Chairman and Fire Chief for report.
